Way to expensive, loitering all around the building, roaches in the room, Im never going

back to this dump

Staff is friendly....rooms are clean as well..... however lots of hustlers stand out front of the hotel during the night; not to mention a hot spot

for prostitution.

There was way too much commotion going on on the front side of the building on the ground level beginning from the time we pulled up we were afraid to even get out to look for the front office because of the back n forth pacing thugs and hustler keeping up loud conversations as if some people aren't there to actually rest and wind down every one wasn't getting a room to turn up or to just have **sex** andget high or whatever it is they were doing to keep them pacing all night until the sun was back up
